

16 Congratulations!

1 **1.40** Wilbur Meeks is a sales representative for Devereux Computers. Last week he signed a contract with Burlingham Inc. He wrote a report for the Chief Executive of his company. Yesterday the Chief Executive, Max Devereux, asked to see him. Listen to the recording, then answer questions a-h.

- Whose office was it?
- Was the Chief Executive angry?
- Why was Wilbur Meeks surprised?
- What was the Chief Executive happy about?
- Did he know Wilbur well?
- Was the contract worth \$500,000?
- How much was it worth?
- What was the mistake in Wilbur Meeks's report?

Culture File **16** Numbers, temperature

2 Say these figures out loud:

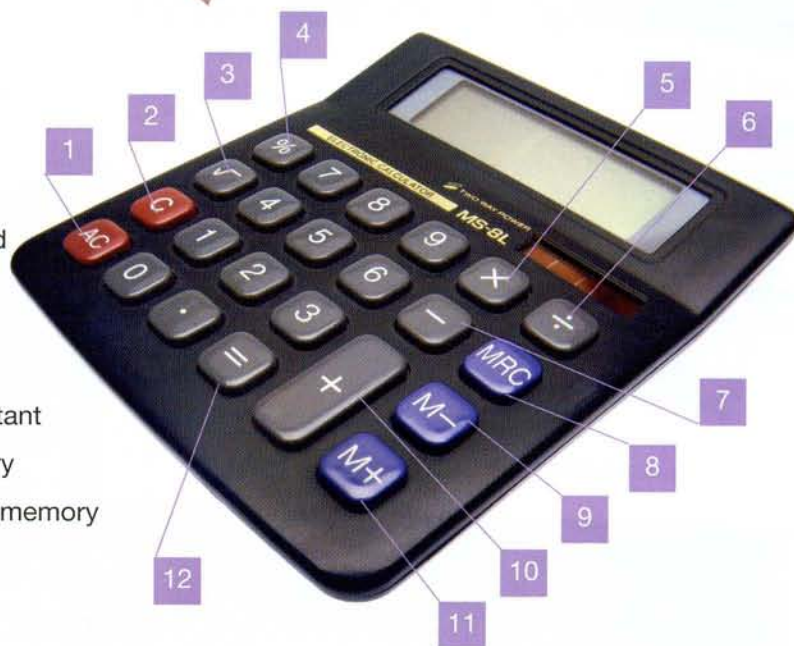

5,000.00	5,000,000	500,000
500,000.00	500.00	5 000.00
5 000 000	5.055	50,000.00

3 Match the figures with the words.

314692	Three hundred and fourteen point six nine two
314,692	Three, one, four, six, nine, two
314.692	Three hundred and fourteen thousand six hundred and ninety-two

4 Match the numbers on the picture with these words:

☐ multiply	☐ clear	☐ memory constant
☐ divide	☒ all clear	☐ add to memory
☐ add	☐ percentage	☐ subtract from memory
☐ subtract	☐ equals	☐ square root

5 Look at these figures. Say them out loud.

10,000	4.5	6 1/2	3%
56.67	32°F	6,500,253	\$4.07
50°C	10 ÷ 2 = 5	3 + 3 - 6 = 0	4 x 6 = 24

6 COMMUNICATION ACTIVITIES

Try some math games with a partner.

A calculator will make this easier.

Student 1 - Go to Communication Activity E
