

## 36 Talking about your job

|        | CD track number | Working hours (from-to) | Days worked per week | Vacation per year | Where they eat lunch | What they usually wear at work |
|--------|-----------------|-------------------------|----------------------|-------------------|----------------------|--------------------------------|
| Mark   | 2.22            | 10 - 3 + 7 - 11:30      | 6                    | 6 weeks           | no lunch             | chef's uniform                 |
| Susan  |                 |                         |                      |                   |                      |                                |
| Ingrid |                 |                         |                      |                   |                      |                                |
| Oliver |                 |                         |                      |                   |                      |                                |
| Lee    |                 |                         |                      |                   |                      |                                |
| Emily  |                 |                         |                      |                   |                      |                                |

### 1 What kind of jobs do these people do?

Label them with these sectors:

Healthcare      Engineering      Office / Business  
Sales      Retail      Hotel and catering

### 2 Look at the information in the table about Mark and guess information about the other five people. Make notes separately.

### 3 Listen. Match the voices to the people by writing the CD track number on the table.

### 4 Listen again. Complete the table with the missing information.

### 5 Talk about the main characters in this book.

What do you know about their jobs?  
Can you guess?

Culture File 36 Working times

### 6 Discuss your working conditions. Include:

working hours (start, finish, overtime, which days of the week)  
work clothes (uniform, custom)  
work breaks (coffee, lunch etc.)  
vacations  
extras (subsidized food, company car, company leisure facilities, expense account etc.)
